

GRACE NEWS

APRIL 27, 2025

Grace Family,

There's a cartoon about Thomas, the disciple of Jesus. He is complaining to Jesus about his nickname. He tells Jesus, "No one calls Peter "Denying Peter!" Jesus tells him he will just have to get over it.

To forever be known as "Doubting Thomas" would be a hard reputation with which to live. In this Sunday's gospel text, John 20:19-31, we find out that Thomas didn't doubt forever. He doubted for only a week, until he saw Jesus alive. Thomas only asked for what the other disciples had received: a chance to see it for himself.

Doubt isn't always a bad thing. The capacity to doubt is one of humanity's noblest traits. There are many practices and beliefs which ought to be doubted. The great preacher Harry Emerson Fosdick wrote that great people "have been distinguished by the fact that in the face of universally accepted falsehoods they dared stand up and cry: I doubt that!"

But what do we do when we come face to face with evidence that causes us to doubt our doubts? What if we, who sometimes struggle with faith, see Jesus? Are we free to change our minds? Can we learn and grow when new truths are uncovered? Are we able to worship and follow Jesus, even if some mystery remains?

Join us this Sunday at 9am and 11:05am as we worship God enthusiastically and proclaim that Christ is risen! He is risen indeed!

Philippians 1:3,

Tracey

Come and join us for the “end of class” ESL celebration on Wednesday, May 7th, 5:30-6:30pm in Wheelus Hall. This is our opportunity to show our love to these wonderful ESL students. If you’ve ever participated in a “multi cultural” night, that’s what this end of class celebration is.

If you feel called to host a country table, please use the link in this newsletter to register for a country. What’s required for hosting a table you may ask?

Decorate a table appropriate to your country.

Perhaps have a 3-fold poster board of some fun facts about your country.

A food dish or 2 from your country - could be dessert, candy, cookies, a well-known dish, etc.

Who doesn’t love sampling food from around the world?

You DO NOT need to host a table - if you want to come and enjoy the celebration...come on down for delightful food and conversation from around the world! The main point- that we shower our love on these students.

If you are planning to participate, please RSVP on your connection catd. For more information, please see Eunice Pribadi (eunicesantoso@gmail.com) or David Hurwich(dahurwich@gmail.com).

Seniors (50+), join us on Wednesday, May 14 at noon in Wheelus Hall for “Taco Wednesday”. The team will be providing tacos with rice, black beans, cheese, tomatoes, sour cream and salsa. Please bring either tortilla chips, salad, fruit, or dessert to share.

Prayers are being Answered!

Your Prayer Team meets every Sunday in MB2 at 4PM and a 2nd prayer team meets every Tuesday evening at 7PM in the parlor to pray over the prayers that have been shared with us. If you would like to have personal hands-on prayer, or wish to join us you are welcome at either meeting. If you would like to receive a list of the prayers weekly, send a message to Mike Shaw at broncosrbest@verizon.net to be added to our efforts to connect to the Lord and the community. Every week, God responds and answers.

Affirmations & Thank You's

Congratulations Pastor Cara & Bryan Raaum for your contributions.

Grace Presbytery has received a grant of \$1.25 million dollars from Lilly Endowment Inc. to help establish Renewed Grace: Transforming Worship Practices with Neurodivergent Children.

The program is funded through Lilly Endowment's Nurturing Children Through Worship and Prayer Initiative. The aim of the national initiative is to support faith-based organizations as they help children grow in faith and deepen their relationships with God.

The Renewed Grace project strives to shift the culture of worship in Grace Presbytery to become more inclusive of children with neurodevelopmental disabilities, including autism, ADHD, and dyslexia. Over the next five years, pastors, children's ministry leaders, worship leaders, and members of thirty congregations will learn from neurodivergent children and their families, as well as experts in disability and theology. Based on what they have learned, each congregational team will work together to design and implement changes to their local worship practices.

Rev. Dr. Jen Bluestein serves as Grace Presbytery's Coordinator of Generational Leadership Development and will lead the project. As our recognition of neurological difference and diagnoses of autism, ADHD, and other disorders increase, Bluestein says, "Church leaders are looking for support in including children with neurodevelopmental disorders in worship and church life because they recognize the importance of children's participation in our churches. This project was developed in response to that growing need from our churches." Renewed Grace will promote the inclusion of neurodivergent children in worship, but the work done by congregations during this project will also benefit the growing number of neurodivergent teens and adults. While this project focuses on worship practices, we also hope that the effects of this project will be felt throughout other areas of church life, including educational and camp ministries.

Grace Presbytery is one of 170 organizations funded through three rounds of the initiative, which was launched in 2022. The grants are funding efforts to help organizations that serve congregations in a broad spectrum of Christian traditions develop new and/or enhance existing programs as they design worship services and prayer practices that more intentionally and fully engage children.

About Lilly Endowment Inc

Lilly Endowment Inc. is a private philanthropic foundation created in 1937 by J.K. Lilly Sr. and his sons Eli and J.K. Jr. through gifts of stock in their pharmaceutical business, Eli Lilly and Company. While those gifts remain the financial bedrock of the Endowment, it is a separate entity from the company, with a distinct governing board, staff, and location. In keeping with the founders' wishes, the Endowment supports the causes of community development, education and religion and maintains a special commitment to its hometown, Indianapolis, and home state, Indiana. The principal aim of the Endowment's religion grantmaking is to deepen and enrich the lives of Christians in the United States, primarily by seeking out and supporting efforts that enhance the vitality of congregations and strengthen the pastoral and lay leadership of Christian communities. The Endowment also seeks to improve public understanding of diverse religious traditions by supporting fair and accurate portrayals of the role religion plays in the United States and across the globe.
